

Dear friends,

I always love reading the program book for our May concert because it contains delightful information about our graduating seniors. There are 47 of them this year.

Some have been with us for only a year, some have been in our program for 10 years. Next fall will find them at 17 Universities across the country, from MIT to Stanford, from Michigan to Louisiana and at 9 universities in Texas. Wherever they go, we are tremendously proud of all of them.

I am thrilled that our seniors may have played their favorite composition in the GDYO Wind Symphony or the Philharmonic. I am proud that our conductors have introduced them to 19 different favorite pieces.

It is rewarding to read that they most remember a solo, the performance of a colleague or another section in the orchestra, the awesome sound of a first rehearsal or a first performance in the Meyerson, a tour, a sectional, or even a party!

Thank you Seniors, for sharing your plans and your GDYO memories with us and thank you to all of you –conductors, staff, board members, Guild leaders, parents, teachers, coaches, donors, sponsors, who have made these memories possible.
